# Welcome to the 2018-2019 School Year

As we turn the calendar page to August, we are excited to start another school year. Each year at SRS promises incredible growth for all students. After a rejuvenating summer, all of us at SRS return to school eager to help students reach their potential. It is always inspiring to be part of a community that cares so deeply about the academic and social growth of each child. We are grateful to work with all families, and know our success depends on positive partnerships between school and home. We look forward to working with you all this year.

In addition to our annual traditions, we have exciting plans for this year The Humanities fair returns this year with a focus on Essential Questions in Today's World. Citizenship is an integral part of our program and mission. Each month, our school focuses on a new citizenship theme. We invite you to discuss these themes at home with your children. This year, in order from September to May, themes include cooperation; integrity; friendliness; respect; communicating; commitment; perseverance; fairness; pride & humility.

It has been a busy summer preparing for your arrival. Back to school information can be found on Chalkable. If you do not use Chalkable frequently, please become familiar with it, as this online portal is our primary means of communication, including required school forms and report cards. Go to [www.shakerroadschool.org](http://www.shakerroadschool.org) to find easy access. Please make sure to return all required back-to-school forms. A list can be found on Chalkable. Remember to refer to the school calendar and the website for important dates. If you haven't already followed us on social media, including Facebook, Instagram, Twitter, YouTube, and LinkedIn, please do so. We make updates daily to most sites.

As your summer winds down, please contact us if you have any questions about the upcoming school year. We can't wait to see you in September!

Warm regards,  
**Matthew Hicks**  
*Principal*

## Grandparents' and Grandfriends Day

Over 300 grandparents and grandfriends joined the Shaker Road School community last fall, to spend a day in their grandchild's shoes. It is an exciting time for students to give their grandparents/grandfriends a tour of their school, meet their teachers and classmates and see the classrooms. Every family from the infant room to middle school is welcome to attend.

This annual Grandparents' Day is one of the highlights for our school year. Please mark your calendars for September 28, 2018. Please RSVP by calling Betsy in the main office at 224-0161. Registration begins at 8:30am under the tent.

Watch for more details coming soon! If you have any questions please contact Patti Hicks at [patricia.hicks@shakerroadschool.org](mailto:patricia.hicks@shakerroadschool.org). Hope to see you all there!

# SRS PARKING PROCEDURES

In our ongoing effort to improve campus security, please make sure that you have a SRS Parking Decal for your vehicle. These decals are to identify SRS families on the campus, golf course or river fields by the maintenance and security personnel. They are placed on the lower right inside corner (passenger side) of your windshield. If you need additional decals, please see Betsy in the Main Office.

### **DAILY PARKING**

A friendly reminder as we start the new school year, the middle school upper circle is for drop off only. Parking is only allowed in the adjacent parking spaces to the right (Lot C). Please do not leave your vehicles unattended for any time. If you wish to walk your child into the school buildings, please use Lot C. There is ample room for parking for families of students in grades Kindergarten through eighth. Lot A is for all infant, toddlers, and prekindergarten classrooms.

When using Lot B, please remember this is a **ONE-WAY DRIVEWAY**. It is very dangerous to park along Shaker Road when dropping off your children, as many cars coming down the road may not have a clear line of sight. It is also just as convenient to park in Lot C for Kindergarten and the primary grades, in both the morning and afternoon. Simply follow the sidewalk to the 300 building and avoid the congestion in Lot B.

### **EVENT PARKING**

The maintenance area parking lot is used daily for faculty and staff to allow for ample parking for parents in the morning and afternoon. During large school events, this lot is available for parking rather than parking along Shaker Road or in the active drop-off circles. These areas are to be left open for emergency vehicles.

Please observe the **ONE-WAY** traffic designs of **ALL** parking lots on campus. Additionally, be considerate of our neighbors on Shaker Road and on the West Portsmouth Street Athletic Fields, by respecting the posted 30 mph speed limits. We want to do our part to ensure the safety and comfort of those living in the neighborhoods.

Thank you in advance for your cooperation.

**Doug Hicks**

# Update from the Placement Office

The summer of 2018 busy in the Placement Office. For many students, the days and weeks in June were relaxing and low key, but the Placement Office saw these quiet days as an opportunity to begin preparing for the year ahead with the class of 2019!

Many families reached out over the summer as they began the secondary school placement process. It was a pleasure to sit down with parents and students, and to listen to their excitement for the year ahead and to reassure them that the SRS community will guide them through their 8<sup>th</sup> grade year, helping them find the best fit for high school. Together, we have created lists of schools to explore, discussed the best preparation for the SSAT and completed mock interviews in preparation for campus visits! All of these will continue throughout the fall.

In addition to working with current families, we have also met with colleagues at several high school admission offices. Shaker Road students receive incredible praise from schools across New England and it never gets old hearing how well our SRS students are for the high school landscape because of the work they have accomplished here.

As we move into another Placement process, we are excited about the work that is to come and remind families that this is a process – it will take time but slow and steady will certainly be the key to making this process manageable and enjoyable! Most importantly, we want all students to feel supported by the Placement Office, no matter where their ninth grade year takes them!

# PTG Corner – What We Are All About!

*Welcome* to the start of another great school year at Shaker Road School. My name is Noel Chipman and I am your PTG President for the 2018-2019 School Year. I look forward to serving in this capacity and hope to be able to continue the enjoyable, fun and educational PTG sponsored events of the past. In order to be successful we need your help as volunteers. If you do not currently get the occasional email updates from the PTG please email me at [noelchipman1@gmail.com](mailto:noelchipman1@gmail.com) and ask to be added to the list to make sure that you are aware of upcoming events and volunteer opportunities. Together we can make this one of the best school years for SRS and for our children. Thank you!

PTG Meetings are held the 1st Tuesday of every month at 5:00pm in the office building. We discuss upcoming enrichment activities and community events. Our first meeting will be Tuesday, September 11th.

## DID YOU KNOW...

Volunteering and becoming involved in your child's school won't just benefit your child, his/her school-mates and the community; it will also benefit you! There is abundant research indicating that those who volunteer more are both physically healthier and psychologically happier. Some studies have even found greater longevity amongst those who volunteer. So do yourself a favor and become involved this year!

“The SRS-PTG services to foster and facilitate a sense of community amongst parents, students, teachers and faculty by offering a variety of social events throughout the school year.”
