

LEGACY GIFT PROGRAM

At Shaker Road School, we are dedicated to enhancing our students' natural enthusiasm for learning through positive social, physical, and academic experiences, while creating a deeper awareness of the world. Our strong community of students, teachers, parents, and loved ones fuels this dedication to lifelong learning both inside and outside of our school walls. This community spirit of nurturing young minds is best symbolized through the Shaker Road School *Tree of Life* that is located on the wall of our auditorium building.

Every year, new leaves and apples are added to the *Tree of Life* to honor current and former students, teachers, and members of the Shaker Road School Community with messages of love, support, and appreciation.

All proceeds from the Shaker Road School *Tree of Life* Legacy Gift Program support the efforts of the Parent Teacher Group. These funds are used to support efforts within the school community, including playground and fitness equipment, teacher tools, campus improvements, and more.

To make a tax-deductible contribution to the Shaker Road School *Tree of Life* please complete the form below and enclose a check made out to the Shaker Road School PTG for the appropriate dollar amount.

Thank you,

The Shaker Road School Parent Teacher Group
